About JJ International,

At JJ International, we specialize in designing and manufacturing high-quality sports apparel, sportswear and motorcycle gear that combine performance, durability, and style. With years of experience in the industry, our mission is to provide athletes, sports leagues, and fitness enthusiasts with gear that helps them perform at their best while looking professional and confident.

We take pride in being league uniform specialists, providing complete solutions for teams and organizations that require matching, customized apparel for their players. From grassroots clubs to established leagues, we understand the importance of unity, identity, and professionalism in sports.

Our Product Range Includes:

- **Team Uniforms (football, baseball, softball, basketball, soccer, cricket, etc.)**
- **Activewear & Cycling Wear (tracksuits, compression gear, leggings, shorts, hoodies)**
- **Sports Jackets & Outerwear**
- **Custom Caps, Gloves, and Accessories**
- **Softball & Baseball League Gear (jerseys, pants, arm sleeves, caps, and more)**

Every product is made using premium fabrics, advanced stitching techniques, and modern designs to ensure maximum comfort, breathability, and long-lasting use. Our customization services allow teams and leagues to feature their logos, colors, and player names, helping them build a strong and recognizable identity both on and off the field.

At JJ International, our commitment goes beyond just manufacturing. We value quality craftsmanship, timely delivery, and customer satisfaction. Whether you are a local club, a national league, or an international buyer, we are dedicated to building a long-term partnership based on trust, excellence, and mutual growth.
